NEWS March 2008

**Competition H2?
You bet!**

First racing decoration of the massive Hummer H2. An off-road vehicle not originally planned for competition, but due to its impressive presence, has found its way into historic, *Gulf* competition colors. Fitted with four-wheel drive (4WD) and four-wheel independent ProShock-2 suspension, with the special NC-7 truck motor and Proarm XL slot guide.

REF. 50489 HUMMER H2 "GULF"

PRICE: \$69.98

REF. 80746 4x HUMMER HUB (SILVER) PRICE: \$5.98

Porsche 997

The car that dominated the 2007 Rallyslot season arrives as a slot car with the Spanish driver, Eloy Entrecanales' colors. Eye-catching paint-job with plenty of track presence. It carries the NC-5 anglewinder motor configuration and rear wheel drive.

REF. 50498 PORSCHE 997 "ENTRECANALES" (RALLY)
