# NEW MOLD FOR 2008

## 50508 BOWLER NEMESIS "TEST CAR"

**Price: \$69.98**

A new mold for 2008 and a new model on the RAID scene. Replica of an ATV designed for competition, the features of this scale version stand the test, being **the best ever Raid vehicle NINCO has produced in terms of handling**. NC-7 Raider motor, 4 wheel drive, ProShock-2 suspension and long 'pro-arm' guide.

This model will include new 2008 sponsor

## 50509 BOWLER NEMESIS "NAC RACING"

**Price: \$69.98**

The Bowler comes with the traditional NINCO RAID series mechanics, specifically NC-7 Raider motor, 4 wheel drive, ProShock-2 suspension and long 'pro-arm' guide.

**80877 Chassis Bowler Nemesis Price: \$9.98**

RACE THE RED TRIANGLE!

NEWS October 2008

*Acura LMP2  
The Fastest Car NINCO Has Ever Produced!*

**50515 ACURA LMP2 "LOWE'S"**

**Price: \$62.98**

NINCO's first Acura LMP livery, (the "Patron") confirmed all suspicions.... **The ACURA LMP is the fastest car NINCO has ever produced!** Straight out of the box it will rival any car and the more expert drivers can further improve its performance with PRORACE EVO components, making it a benchmark car in speed and endurance racing. **It is the chosen model for the 2008 NINCO WORLD CUP.** In-line NC-5 motor.

**GULF!**  
*One of the most popular  
racing colors of all time.*

**50488 PORSCHE 997 "GULF"**

**Price: \$62.98**

A great new livery for the magnificent Porsche 997 track version, where it continues to satisfy consumers with its high performance features. Usual NC-5 Anglewinder configuration. The livery speaks for itself and is sure to be a best seller.

RACE THE RED TRIANGLE!

NEWS October 2008

Lightning Strikes Again!

Commemorative Limited Edition

50495 LAMBORGHINI GALLARDO "NWC 08" LIGHTNING

PRICE: \$74.98

The NINCO WORLD CUP, whose final every year attracts the World's best slot racers, has extra special appeal this year for everyone... a spectacular commemorative car! The chosen model is the Lamborghini Gallardo. This livery was designed via a competition held between NINCO club members. The mechanics are totally pro race EVO spec; Lexan interior, Lexan transparent chassis and NC-6 motor, giving continuity to the "Lightning" range that began with the MOSLER VORTROM.

Livery subject to modification.

50503 AC COBRA "THAMES DITTON"

Price: \$69.98

A new livery for one of the most emblematic and requested classics ... the AC Cobra. With all the charm of other cars of the same era, it has the added bonus of being one of NINCO's 1st competition cars. Powered by the NC-8 "classic" motor.
